Sprechen Sie Deutsch?

This school year German was introduced as a foreign language, joining Spanish and French at Higgins Middle School. In January, 7th and 8th grade German students had the privilege of a special visit. Five PVMHS German students along with their teacher Frau Farrell, visited the Peabody Middle School students in Frau Kozel's classes. During their visit they performed an original short play, taught the Higgins students a German song and some tongue twisters. Did you know that animals in German-speaking countries speak German? The song performed featured German animal noises. A dog says "wau, wau", a sheep says "maeh, maeh", and a rooster says "kikeriki"!
On May 2, 2005, the 7th grade German students, with the help of their teacher Frau Kozel, will put on the first German-American Fest at Higgins Middle School. They are all looking forward to this event with great excitement. It will be an evening filled with performances, songs, food and drink, socializing and fun!
